EXHIBIT B

INCOMMON FEDERATION, LLC

CONFLICT OF INTEREST POLICY

ARTICLE I PURPOSE

The purpose of the conflict of interest policy is to protect the interest of InCommon, LLC (the “Company”) when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a member of the Steering Committee (each such member, an “SC Member,” and such Committee, the “Steering Committee”), a member of a subcommittee of the Steering Committee (a “subcommittee”), an officer of the Steering Committee, or an employee of the Company (each such member, officer, or employee, a “Company Individual”). This policy is intended to supplement but not replace any applicable federal or state laws governing conflicts of interest applicable to the Company.

ARTICLE II DEFINITIONS

1. Interested Person

Any Company Individual who has a direct or indirect financial interest, as defined below, is an “Interested Person.”

2. Financial Interest

A Company Individual has a financial interest if he or she has, directly or indirectly, through business, investment or family --

- a. an ownership or investment interest in any entity with which the Company has a transaction or arrangement, or
- b. a compensation arrangement with any entity, except Internet2, or individual with which the Company has a transaction or arrangement, or
- c. a potential ownership or investment interest in, or compensation arrangement with, any entity, except Internet2, or individual with which the Company is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are substantial in nature.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the Steering Committee or appropriate subcommittee decides that a conflict of interest exists.

ARTICLE III PROCEDURES

1. Duty to Disclose

In connection with any actual or possible conflict of interest, an Interested Person must disclose the existence of his or her financial interest and all material facts to the Steering Committee and/or subcommittee considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the Interested Person, he or she shall leave the Steering Committee or subcommittee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Steering Committee or subcommittee members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest

- a. An Interested Person may make a presentation at the Steering Committee or subcommittee meeting, but after such presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement that results in the conflict of interest.
- b. The Steering Committee or subcommittee, as the case may be, shall, if appropriate, appoint a disinterested SC Member, officer, or subcommittee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the Steering Committee or subcommittee shall determine whether the Company can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the Steering Committee or subcommittee shall determine by a majority vote of its disinterested members whether the transaction or arrangement is in the Company's best interest and for its own benefit and whether the transaction is fair and reasonable to the Company and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

4. Violations of the Conflict of Interest Policy

- a. If the Steering Committee or subcommittee has reasonable cause to believe that a Company Individual has failed to disclose an actual or possible conflict of interest, it shall inform such person of the basis for such belief and afford him or her an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the response of the Company Individual and making such further investigation as may be warranted in the circumstances, the Steering Committee or subcommittee thereof determines that the Company Individual has in fact failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

ARTICLE IV RECORDS OF PROCEEDINGS

The minutes of the Steering Committee and all subcommittees with Steering Committee-delegated powers shall contain --

1. the names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Steering Committee's or subcommittee's decision as to whether a conflict of interest in fact existed.
2. the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection therewith.

ARTICLE V COMPENSATION COMMITTEES

A voting member of any subcommittee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Company for services is precluded from voting on matters pertaining to that member's compensation.

ARTICLE VI ANNUAL STATEMENTS

- Each Company Individual shall annually sign a statement which affirms that such person: -
- a. has received a copy of the conflict of interest policy,
 - b. has read and understands the policy, and
 - c. has agreed to comply with the policy.
