“OSDL - home to Linus Torvalds, the creator of Linux - is dedicated to accelerating the growth and adoption of Linux in the enterprise. Founded in 2000 and supported by a global consortium of IT industry leaders, OSDL is a non-profit organization that provides state-of-the-art computing and test facilities in the United States and Japan available to developers around the world. OSDL's founding members are IBM, HP, CA, Intel, and NEC. A complete list of OSDL member organizations is provided on the member page at OSDL Members.”
