

AuthorIT Software Corporation Ltd. (NZ)

Technology

“AuthorIT Software Corporation (ASC) was founded in 1996. Our head office is based in Auckland, New Zealand.

“AuthorIT, our flagship product, was initially released in 1997 and we commenced promotion in the US and Europe in 2000. Now the US and Europe account for 80% of world sales. Since its release, AuthorIT has produced five major versions and is now a mature robust product built on proven technologies.”
