

LAMS Foundation (AU)

“The LAMS Foundation is a not-for-profit organisation that manages research and development into LAMS and the concepts of Learning Design. The Foundation is based at Macquarie University, Australia as part of the Macquarie E-learning Centre of Excellence (MELCOE), under the leadership of Professor James Dalziel (Director of MELCOE and inventor of LAMS). The LAMS Foundation collaborates with LAMS International to foster the adoption and implementation of LAMS across all education sectors.”
